MEMORANDUM

TO: All DWC Stakeholders

FROM: Scott C. Wilhoit, Commissioner

DATE: July 1, 2026

RE: Regulation Reference Change

With passage of SB 343, the Department of Workers' Claims is no longer located in the Education and Labor Cabinet; as such, the title and chapter numbers will be changing. Title 803 will become 120 and Chapter 25 will become 001. For instance, the 2026-2028 Medical Fee Regulation filed on June 30, 2026, is designated as 120 KAR 001:089.

Substantively, there will be no changes to the regulations as they are now published. Rather, the only changes are the reference citations. The DWC is in the process of migrating all the regulations to the new title and chapter. Until this occurs, you may need to cite to both titles and chapters in your filings.

If you have any questions, please reach out to the Department at 502-564-5550 or to the Executive Director of the Office of General Counsel, Dale Hamblin, at Dale.Hamblin@ky.gov.
